OFFICE OF PETITIONS
ON PETITION

This decision concerns the May 28, 2003 petition under 37 CFR 1.137(b).

The petition is **GRANTED**.

On February 5, 2002, a "Notice to File Missing Parts of Nonprovisional Application" was mailed, giving Applicant an extendable 2-month period for submitting an oath or declaration. No extension of time under 37 CFR 1.136(a) was obtained, and the oath or declaration was not submitted on or before April 5, 2002. The application became abandoned on April 6, 2002.

The instant petition encloses the \$1,300 petition fee and a declaration and power of attorney executed by the sole inventor for this application; and includes a statement that the entire delay in submitting the declaration from its due date until the filing of a grantable §1.137(b) petition was unintentional. The petition is thus granted.

The application is now complete.

As requested, the new correspondence address for this application has been entered and made of record.

The application file is being forwarded to Technology Center 1700 for examination in due course.

Telephone inquiries should be directed to the undersigned at (703) 308-0763.
